Dear Maria

Thank for your email.

The accompanying Planning Statement confirms the existing units are used on a seasonal basis (March – October).
The enclosed Statutory Declarations confirm this position.

I trust this helps to clarify the situation. If you require any further information, please just let me know.

Kind regards
Laura

Dear Laura,

I have finished my report, however there are some things to be addressed/clarify.

The caravans are stated to be for seasonal workers – are they claiming any particular months when they have been occupied as there is no evidence on this? If they are claiming a particular season when occupied can they provide evidence. If they claim a particular season for occupation this should be reflected in the decision.

Kind regards

Maria
