Dear Mr Helyer,

The advertising period has just expired for this application (8th August). As you are aware the Parish Council have objected to this application. I shall be discussing this application with my team leader and Development Control Manager next week so shall be in a better position to let you know the recommendation.

Dear Mrs Chapman,

I have tried calling.

With regards to the above application - can you please provide an update on the application - will it be heard at committee/ does it have officer recommendation for approval or refusal.

Obviously our client is very keen to resolve this as soon as possible.

Regards

Martin Helyer
