Subject: Re: Pre Commencement Condition Letter

[REDACTED]

Dear Mr. Gardner

Thank you for your phone call regarding the above application.

I can confirm that we are in agreement to your terms of the condition as set out in the email.

As discussed can you please forward me your dimensions for the excavation for the 'Inspection Pit', along with the necessary steps/requirements for the monitoring of the water table visible within the pit.

As I understand it from our discussion, this application shall now remain open until the results of the water table observations are complete. This being satisfactory, planning permission is likely to be granted.

We await your response and instructions in order to carry out this work.

Should you require any further information please contact me anytime.

Regards

Rob Braithwaite
