Subject: RE: Planning Consultation on: BN/16/22/PL

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Application No: BN/16/22/PL
Site Address: Land to the rear of Clare Court 67 Barnham Road Eastergate PO22 0EP
Description of Works: Erection of 4 No dwellings with associated car parking. This application is in CIL Zone 2 and is CIL Liable as new dwellings.

Bats

The hedgerows on site are used by bats for commuting and foraging and will need to be retained and enhanced for bats. This will include having a buffer strip around the hedgerows (5m) and during construction fencing should be used to ensure this area is undisturbed. Any gaps should also be filled in using native hedge species to improve connectivity. Conditions should be used to ensure this.

The lighting scheme for the site will need to take into consideration the presence of bats in the local area and the scheme should minimise potential impacts to any bats using the trees, hedgerows and buildings by avoiding unnecessary artificial light spill through the use of directional light sources and shielding.

Reptiles

As detailed within the PEA (Jan 2022) there is potential for reptiles to be onsite. Due to this we require that a reptile activity survey is undertaken by a suitably qualified ecologist to determine if reptiles are onsite. If reptiles are found a mitigation strategy will also need to be produced. The mitigation strategy will need to include details of reptile fencing, translocation methods, the translocation site / enhancements and the timings of the works. Both the reptile activity survey and the mitigation strategy (if required) will need to be submitted with this application prior to determination.

Nesting Birds

Any works to the trees or vegetation clearance on the site should only be undertaken outside of the bird breeding season which takes place between 1st March – 1st October. If works are required within this time an ecologist will need to check the site before any works take place (within 24 hours of any work).

We would like a bird box to be installed on the building / and or tree within the garden of the property.

Hedgehogs

Any brush piles, compost and debris piles on site could provide shelter areas and hibernation potential for hedgehogs. These piles must be removed outside of the hibernation period mid-October to mid-March inclusive. The piles must undergo soft demolition.

Policy ENV DM5

In line with Policy ENV DM5 of the Arun District Local Plan information on Biodiversity Net Gain needs to be provided as part of the planning application prior to determination. We are satisfied that the biodiversity enhancements recommended within the PEA (Jan 2021) are suitable and should be incorporated into the landscaping scheme. A condition should be used to ensure this takes place.

Kind Regards

Liz

NOTIFICATION FROM ARUN DISTRICT COUNCIL

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 - Articles 16 & 18 Consultation before the grant of permission

Planning Permission

Application No: BN/16/22/PL
Registered: 28th February 2022
Site Address: Land to the rear of Clare Court 67 Barnham Road Eastergate PO22 0EP
Grid Reference: 495622 104632
Description of Works: Erection of 4 No dwellings with associated car parking. This application is in CIL Zone 2 and is CIL Liable as new dwellings.

The Council have received the above application.

[Click here to view the application details](#)

This application has been identified as CIL Liable. Therefore please be aware that, in accordance with Appendix 2 of the Arun CIL Charging Schedule, your consultation response should only include requests for Section 106 for onsite mitigation, Pagham Harbour Management Contributions (if applicable) or Affordable Housing. "Off" Site mitigation measures directly related to this development should be dealt with by condition if possible to ensure the scaling back of Section 106 if possible. CIL contributions will be used for "off" site infrastructure mitigation schemes. Therefore if this proposal triggers the need for "off" site mitigation, please ensure that you engage in the CIL Infrastructure List Consultation process upon receipt of a consultation letter.

Should you have any comments to make, these should be sent by replying to this email by 31st March 2022. You can also monitor the progress of this application through the Council web site:

<https://www.arun.gov.uk/planning-application-search>

Please be aware that any comments you may make will be available on our website so please do not insert personal details or signatures on your reply.

Should the application go to appeal the Planning Inspectorate will publish any comments made to the Council on their website: <https://app.planninginspectorate.gov.uk/> but they will protect personal details.

In the absence of a reply within the period stated, I shall assume that you have no observations to make

Yours sincerely

Amber Willard
