Description of works: Erection of 4 No dwellings with associated car parking. This application is in CIL Zone 2 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 25th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45625

Although I do not live in the immediate vicinity of the development I believe that uncontrolled infill developments such as this will have an adverse effect on the village as a whole. WE are already seeing green land being developed at an alarming rate and at some point this has to stop for the sake of our village. I understand that mature trees have been purposefully destroyed to make way for this development trees like this is what gives our village character and I see this as wilfull unnecessary destruction of our environment . In addition to this the access to the proposed development has obstructed views in both directions and will inevitable lead to accidents on this busy road.

Your views as made above will be considered before the application is determined.
