Thank you for your internet representation made on 29th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45846

This will cause even more traffic problems in this already very busy road and is unhealthy for our children walking to school. The removal of mature trees has a serious negative effect on the environment. These new builds will impact the water table and waste management services that not been planned into this application. Sussex is being raped of all it's beauty by greedy developers who have very little Interest in anything other than their financial gain.

Your views as made above will be considered before the application is determined.
