You are rapidly turning Barnham village into a town.

You have let Barnham become overdeveloped and consequently there is always traffic queues going through the village, and the Barnham schools and GP surgeries are oversubscribed. When will it stop?

Our fields are disappearing to make way for non affordable housing. I have lived in Barnham approximately fifty years and the Barnham I knew as a child and loved has long gone. You may call it progress, I certainly do not. This is our beautiful countryside you are ruining. Please have a rethink and stop more houses being constructed.

Thank you.

Mrs LA Hart
