Dear Sir/ Madam

Whilst out walking along Barnham Road I noticed 3 planning applications in the stretch between Elm Grove and Gospond Road.

Two of the developments seemed reasonable but the Third behind Clare Court looked totally unreasonable The only access to the sit was via single driveway.

With the proposal to build even more houses and the traffic already produced with the Clare Court the traffic flows on an already very busy road it would produce even more delay's for those using Barnham Road

Please reject the proposal

Brian Bugden
