Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/16/22/PL
Site Address: Land to the rear of Clare Court 67 Barnham Road Eastergate PO22 0EP
Description of works: Erection of 4 No dwellings with associated car parking. This application is in CIL Zone 2 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 16th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47554

I wish to lodge my further objection to this planning application the Environment Agency have said the we are in an area of critical water supply meaning that we are in very real danger of running out of water to supply homes developments in other West Sussex areas have been halted because of this problem.

Micheal Gove MP has said that no planning application should be approved until the infrastructure in the areas are in place to support developments and as we know there is a drastic shortage of Dentist, Doctors and Hospitals in the Arun District Council area, it is not right to keep adding more properties to the Barnham area without people having the infrastructure in place to support the people that will purchase the homes.

It is the down to Arun District Council to ensure that people who are buying homes have the systems in place to support them having Dentists, Doctors and A&E Hospitals that can cope with demand and emergency services that can respond in reasonable time this does not happen at this present time and will only get worse if more and more homes are built

Your views as made above will be considered before the application is determined.
