Dear Mr. Vick

I have noticed that there is a communication from Mr Tarbard on the above application and feel a bit peeved that he should be allowed to make his feelings known, after the deadline was imposed.

I would like to point out that even though he was the Parish clerk over the last few years, his account of things seem to be distorted and these late openings would not be for the younger generation.

We have lived here for nearly 16 years and have never seen anything from the Village Hall passed 11-00pm except on the odd occasion which would be New Year. Even then, I could probably count those times on one hand. There has only been parking on the road at the Firework nights over the past 3 /4 years and certainly NOT any night of the Village Hall. The road is too narrow and I'm sure the Police would have something to say if that happened. This application might benefit the Centre users for one night but it will affect us for 156 nights a year. I know the deadline is passed but would ask that Mrs Chapman could take these points into consideration.

Yours faithfully

Peter Robinson

Thanks Simon.

Only on the odd occasion do we allow it up to or after midnight and it is put to councillors first to agree it.

Hi Sue,

Sorry, yes I should have said, it is because we have an application in for Barnham Community Centre to open later til 12 on Fri/Sat and members had asked us to look at the situation at Bersted.

Kind Regards

Hi Simon,

We allow them until 11.30pm as the hall is close to a residential area. Though we rarely have late bookings as most are children's parties, those that want the hall until after midnight go elsewhere.

Is there any reason for the question?

Kind regards

Sue

Dear Sue,

Hi. I've been asked in question in advance of the next Arun planning committee as to what hours the Bersted Community Centre is open until for bookings on Friday and Saturday nights. Having looked at the planning history, I can't see that hours of opening/use was ever restricted so I wondered generally speaking, what time you allow events/functions to run to on Friday and Saturday nights.

Kind Regards
