Mrs J Chapman

30th August 2013

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Application for the variation of a condition 13 (hours) following grant of planning permission BN/3/09/

Barnham Community Hall Yapton Road Barnham

Thank you for your internet representation made on 29th August 2013 which has been recorded as '**an objection**' with the comments as follows:

We object to the proposed extension of hours on Friday, Saturdays & Sundays until 12pm, as we feel that not enough thought has been given to the village residents. For example, why after spending all this money on the community hall project do you not finish the job & tarmac the car park, the noise from cars driving in & out on the shingle is loud in the daytime especially early in the morning when people are dog walking, let alone at night. This wont help the fact extending until midnight at weekends the people living around the village hall will experience a lot of unnecessary noise & disturbance. The Community Centre is there to serve the community, not to cause people problems. We feel that a reasonable ending time of 11pm is adequate as it will still be 11.30 - 11.45 by the time everyone has left & this is still late for elderly people & children trying to sleep nearby. On the special occasion when it merits an extension this could be applied for under strict conditions i.e. closed windows etc, and a tarmac car park which would drastically reduce the noise.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
