Dear Mr. Vick

I have noticed that there is a communication from Mr Tarbard on the above application and feel a bit peeved that he should be allowed to make his feelings known, after the deadline was imposed.

I would like to point out that even though he was the Parish clerk over the last few years, his account of things seem to be distorted and these late openings would not be for the younger generation.

We have lived here for nearly 16 years and have never seen anything from the Village Hall passed 11-00pm except on the odd occasion which would be New Year. Even then, I could probably count those times on one hand. There has only been parking on the road at the Firework nights over the past 3 /4 years and certainly NOT any night of the Village Hall. The road is too narrow and I'm sure the Police would have something to say if that happened. This application might benefit the Centre users for one night but it will affect us for 156 nights a year. I know the deadline is passed but would ask that Mrs Chapman could take these points into consideration.

Yours faithfully

Peter Robinson
