Dear Janice

The 15 November would be fine as an extension of time.

Liza,

You have to agree a date for the Extension of Time and as it is going to the 13th Nov Committee Meeting will you agree to extend it until the 15th November.

Thanks

Dear Liz,

This application is going to the next Development Control Committee on the 13th November which is later than the determination date of 29th October 2013. Can you advise that you agree to an Extension of Time.

Thanks

Janice
