Subject: re planning application

Dear Maria.

I write to you as the planning officer regarding the planning application BN/18/20/PL in a letter sent to you by Barratt David Wilson homes on the 12th Feb 2020 it states that there is a supporting statement from Southern Water dated Feb 2020 this statement is not included with the planning application.

This statement should be included with the planning application as it has an important bearing on the application and is not available for scrutiny by those concerned if it is part of the application which they say it is can it be placed on the planning application to be viewed.

yours sincerely Mr B.Barbary (Elm Grove South residents association Upton Brooks and Barnham road residents)
