26th March 2020

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Variation of condition 15 imposed under EG/29/13/ relating to condition 15 - to change the foul drainage scheme from Sewage Treatment Plant to Pumping Station with associated drainage works.

Former Brooks Nursery Eastergate

Thank you for your internet representation made on 25th March 2020 which has been recorded as '**an objection**' with the comments as follows:

I am deeply concerned about this planning application. It still would mean sewerage will be going into the main drains in Barnham, which is not allowed according to the initial planning application for these properties (EG/29/13) and the fact that it will be going via the drains in Elm Grove south doesn't change the fact it is still going to be passed into the main drains, which is breaking the terms of the original planning application.

There have been problems before in the past with sewerage coming up in the baths and kitchen sinks in the flats at Elm dale, there is no way the 6 inch pipes installed in 1964 will take the pressure from the 8 inch pipes coming from the upton brooks estate.

To allow this application to go ahead will be a health hazard and and also an environmental hazard. It will no only smell awful but is a danger to the residents in elm grove south, the pupils at St Philip Howard High school and the members of staff who all work there.

There is a problem with flooding already in Elm Grove south, I have a photo the size of a lake in the car park at the flats, and also in Elm Grove too. This will impact even more on this issue with the force of the extra pressure from this DIVERSION through elm grove south.

I hope you take this all into account before coming to a decision.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only

include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
