Dear Sir/Madam,

Proposal: Variation of condition 15 imposed under EG/29/13/ relating to condition 15 - to change the foul drainage scheme from Sewage Treatment Plant to Pumping Station with associated drainage works.

Site: BN/18/20/PL: - Former Brooks Nursery, Eastergate, PO22 0ED.

Further our letter dated 09/04/2020 please accept our apologies in this matter.

The application was mistakenly processed as if this was a planned development not a completed one, it is clear from the application that this development has already been completed.

The developer is currently in consultation with Southern Water with regards to Section 98 agreement (Sewer Requisition) in order to provide sufficient capacity to service the development. Approval for the connection should be submitted under a section 106 connection application subject to completion of sewer improvement works dealt under our ref SWS-S98-000752.
