Subject: BN/18/20/PL

Dear Maria,

Please see the attached letter under the current application BN/18/20/PL consultation dated 9/4/20 with Southern Water.

In the letter SW has made comments regarding a proposed development and proposed occupation of the development.

The letter does not make any sense as the development has already been built and has been occupied for the last six years. This is not a new development.

This attached letter is not applicable to the current situation.

Can you explain this please.?

Awaiting your reply.

Regards.

Gary.
