Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/18/20/PL
Site Address: Former Brooks Nursery Eastergate
Description of works: Variation of condition 15 imposed under EG/29/13/ relating to condition 15 - to change the foul drainage scheme from Sewage Treatment Plant to Pumping Station with associated drainage works.

Thank you for your internet representation made on 21st June 2020 which has been recorded as an objection with the comments as follows:

OWPC27908

As a resident of Elm Dale I am objecting to the proposal to direct sewage from Upton Brooks (a pressurised 8inch pipe)through Elm Grove South(a 6inch gravity pipe).As the 8inch pipe has non-return valves any back up of sewage will need to be contained in the 6inch pipes running through the Elm Grove estate .The developers of Upton Brooks should be held responsible for failing to install a satisfactory sewage disposal system .The residents of Elm Grove should not be faced with the possibility of sewage backup and overflow

Your views as made above will be considered before the application is determined.
