Subject: re works to Barnham Road

Dear Maria.

Can i refere to the email on the planning application corespondence sent by Dan Champion on the 8th July regarding the schedual of works being carried out along Barnham Road, It says that the works are emergency repaires this road has been collapsed for a very long time it is hardly emergency work, it also says that Southern Water will (break out the existing manhole chamber and rebuild) this has not been done the manhole has been removed and the existing chamber filled over and tarmacked.

yours sincerely Mr B.Barbary (Elm Grove South residents association,Barnham road and Upton Brooks residents)
