Subject: Highground Orchard - Application BN/1/15/PL

Dear Simon,

Thanks for your email last week and other correspondence we have had with regards this application during the last couple of weeks.

I would like to make the point again that the application is not for a change of use and therefore I do not agree that it is correct that policy DEV2 applies in this instance.

I can confirm, however, that I wish to withdraw application BN/1/15/PL from consideration. Please can you acknowledge receipt of this email and that the application has been withdrawn prior to any determination.

Please can you also confirm that we can expect a decision on the Prior Notification application at the same address before the 27th March (this Friday)?

Regards,

Paul
