

37 Hill Lane, Barnham

Supplementary Drainage Statement

37 Hill Lane is a semi-detached, three bedroom property in Barnham. It falls within the Lidsey foul water treatment catchment area.

There is an existing watercourse on the opposite side of the road to the property.

The surface water from the extension is to discharge into a soakaway - please see separate document for details.

It is not proposed to divert, infill or obstruct any existing watercourses.
