Subject: RE: Meeting request

Dear Rob,

We need everything on this submission that is relevant to the discharge of condition application and this needs to include any items included in previous discharge submissions as we cannot formally refer back to previous applications when determine this application. Clearly, Laura has been provided with everything through the link but our website needs to match what she has been provided with so that any interested persons can see what the decision is being made against.

Simon.

Hi Simon

Most of the files I have sent have previously been supplied, however Laura seemed to be asking for a full submission so that is what we have provided.
