Approval of details reserved by condition imposed under ref BN/50/20/PL relating to Condition Nos 10 -
surface water drainage and 11 - maintenance & management of surface water drainage.
Land West of Fontwell Avenue Fontwell Avenue Eastergate PO20 3RX

Notification regarding the above application:

Condition Number 11

Development shall not commence until full details of the maintenance and management of the surface water drainage system is set out in a site-specific maintenance manual and submitted to, and approved in writing, by the Local Planning Authority. The manual is to include details of financial management and arrangements for the replacement of major components at the end of the manufacturer's recommended design life. Upon completed construction of the surface water drainage system, the owner or management company shall strictly adhere to and implement the recommendations contained within the manual.

Reason: To ensure that the proposed development is satisfactorily drained in accordance with policies W DM1, W DM2 and W DM3 of the Arun Local Plan. It is considered necessary for this to be a pre-commencement condition to ensure that the future maintenance and funding arrangements for the surface water disposal scheme are agreed before construction commences.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

The detail submitted in respect of the drainage maintenance manual namely the "SuDS Management and Maintenance Strategy" ref 108.5009/MMS/3 (02/02/22) has been appraised by the Councils Drainage Engineers, is considered to be acceptable and satisfies the requirements of the condition. The condition is therefore fully discharged insofar as the submission of details relates and on the understanding that the site specific drainage scheme will be maintained in accordance with the

approved details.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
