Dear Mr Dudley,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition under BN/46/25/PL relating to conditions 7- Archaeology, 8- Contamination and 13- Materials & Finishes.

Land South Of Wandleys Lane Eastergate PO20 3SE

Notification regarding the above application:

Condition Number 8

Prior to commencement of the development hereby approved, or such other date or stage in development as may be agreed in writing with the Local Planning Authority, the following components of a scheme to deal with the risks associated with contamination of the site shall be submitted to and approved in writing by the Local Planning Authority:

- (a) A site investigation scheme, based on GW's report ref GWPR5571/DS/October 2023 to provide information for a detailed risk assessment of all receptors that may be affected, including those off site.
- (b) Based on (a), an options appraisal and remediation strategy giving full details of the remediation measures required and how they are to be undertaken. The remediation strategy shall include details of the data that will be collected in order to demonstrate that the proposed remedial works are complete and identify any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action.
- (c) A verification report demonstrating completion of the works set out in the approved submission (c) and the effectiveness of the remediation. The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan to demonstrate that the site remediation criteria have been met. Where necessary, the report shall also include long-term monitoring and maintenance plans and arrangements for contingency action.

Note: Any changes to these components require the express written consent of the Local Planning Authority.

Reason: To ensure that the development complies with approved details in the interests of protection of the environment and prevention of harm to human health in accordance with the Arun Local Plan policies QE SP1 and QE DM4. This is required to be a pre-commencement condition because these details have to be agreed and in place before any work commences.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

This condition is discharged insofar as submission of details relates and refers to the following submitted information:

- Phase 2 Site Investigation V1.01 - Jan 2026

The development must be implemented in accordance with this information.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
