Dear Mr Davis

Application BN/22/14/PL - Application to Site a Larger Mobile Home at The Cottage Piggeries, Church Lane, Barnham

I write to you following my conversation with your Mr Juan Baeza. I would like to amend my application so that it will now seek to vary condition 01 of the previous planning permission and not condition 03 as previously applied for. Please therefore amend the description to state: "Application for the variation of condition 1 following planning approval BN/22/11 for the siting of 1 No. 3 bedroom mobile home".

Yours sincerely

13/05/14

Mrs Brazil
