

LIDSEY FOUL WATER TREATMENT CATCHMENT AREA

proposed single storey side extension
101 Barnham Road, Barnham, PO22 0EQ

The property is within the Lidsey Foul Water Treatment Catchment Area and is connected to mains drainage.

This proposal relates solely to the erection of a new orangery style extension to the side of the of the property. This will house the relocated kitchen, with the existing kitchen being removed.

No additional sanitary items will be fitted as part of this application.
