Dear Sirs

Planning Application Number BN/23/18/PL 37 Hill Lane, Barnham, West Sussex, PO22 0BL

We are writing to object to this application as we feel that is completely out of character with the area and an over-development of the site. The lane is private and maintained by the residents, which is a single track and too narrow for larger development. There doesn't seem to be adequate parking on this site once developed – the road is too narrow for turning or additional parking.

I do hope that this development will be treated in the same way as my own for our planning at Horseshoe Cottage. We had restrictions in place and an agricultural tie added to the planning. Does this mean that the prospective purchasers of the new properties would have to be working in agriculture or horticulture too?

Perhaps you could let us know what restrictions will be put in place for this development.

Yours Faithfully
