Dear Kerry,

Engineers responded on the 13th June. Highways on the 27th June. They are both on the website.

The only consultation responses outstanding are Southern Water and our Tree Officer.

I will have a think about the scheme later and let you know my thoughts.

Kind Regards

Hi Simon,

Just a short note to make contact with you on the above application to ask if you have now received WSCC consultation comments and the Council drainage engineer's comments – I can't seem to see them online yet ?

I did attend the Parish Council meeting and concerns were raised about drainage and overdevelopment of the site.

It would be useful to have your feedback on the proposals so that we can consider whether amendments to the scheme could address the concerns raised by the parish council and neighbours.

I look forward to hearing from you in due course.

Best regards,
Kerry
