Dear Simon,

In response to the Council's Drainage Engineer's comments and the Parish Council's concern with local drainage issues we have now arranged a site meeting with Laura Gibbons on Tuesday 2nd October at 9:30am to inform the drainage strategy.

We would be grateful if we could agree a further extension of time to allow for this additional work and for the submission of the detailed drainage strategy. Perhaps we could arrange a meeting to discuss the application?

Best regards,
Kerry
