Dear Kerry,

We did not formally re-consult the Parish as to do that would have also required us to post new notices and re-advertise the application in the paper. What we did was to notify them of the Drainage information in accordance with the requirements of the Neighbourhood Planning Act. Please see attached.

Kind Regards

Hi Simon,

I recently contacted the Parish Council about the additional drainage information (Drainage Impact Assessment) to see when they will be meeting to consider the additional information and the clerk has responded as below – it seems they haven't received a re-consultation request from Arun.

Are you able to look into this and let me know ?

Many thanks,
Kerry
