Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Continuation of use of land for dog training and exercising
Land to east of Parsonage Farm Yapton Road Barnham

Thank you for your internet representation made on 3rd July 2018 which has been recorded as '**support**' with the comments as follows:

I would like to add to my previous statement as I had not fully understood the complaints set against Clix and Trix. I visit barnham windmill a few times a week. I attend training classes, socialisation classes while my dog also uses Yappy days and we get his food from the pet shop. Firstly at no point have I arrived in Barnham windmill to find the car park full. There is usually about 10 cars around the site and they are spread about the car park. Secondly I have yet to turn up and actually hear a clix and trix session going on. I usually park near the pet shop and I am always shocked if I find that either clix or trix or yappy days are using the training field as they are so quiet. I believe that clix and trix offer a service which is well loved and supported by a lot of people and it brings so much custom to the windmill shops. I, for one, would have never visited the windmill as I purely went for puppy socialisation. I know regularly use the pet shop, dog care and the cafe.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
