Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Continuation of use of land for dog training and exercising
Land to east of Parsonage Farm Yapton Road Barnham

Thank you for your internet representation made on 4th July 2018 which has been recorded as '**support**' with the comments as follows:

Clix and Trix is an excellent and well run dog training facility and I support the business, the use of the site and suitability of the location.

The service provided is helpful and necessary - dogs should be trained to be friendly and well balanced... and owners should be trained also.

The benefit of all manner of dogs - those bought, adopted or rescued - to be in a safe environment in an open space is excellent.

The site is in a secluded area of Barnham in the corner of a field with nearby shops and tea rooms - many of whom benefit from the presence of visitors coming to the venue and bringing their custom and spending money with them.

I use Clix and Trix and am very keen for the sessions to continue - it's a semi rural/countryside location and not a city... one should expect animals, domesticated and otherwise, along with tractors, trailers and caravans to be part of the scenery and general environment. All of these add to the fabric and atmosphere of the area - many people travel to enjoy the surrounding environs and long may that continue.

A dog training facility which offers family fun, dog training, a social scene and the benefits of bringing local people together should be welcomed and applauded.

I totally and wholeheartedly support this enterprise. Elaine loves animals and goes a great way to supporting tolerance and care within the community. I wish Elaine and her business every success. I support the application and hope to see the business thrive and survive for the good of so many people and animals.

Sincerest regards

Sandie Gillam

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is

recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
