Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Continuation of use of land for dog training and exercising
Land to east of Parsonage Farm Yapton Road Barnham

Thank you for your internet representation made on 6th July 2018 which has been recorded as '**support**' with the comments as follows:

I use the dog garden most weeks and is the ONLY time my dogs go out as I feel it's never safe to take them out when all you hear is dog attacks or dogs being stolen when walking in public and I cannot find another place safe and I do highly rely on Elaine for providing a secure area for my dogs and don't no what I would do if she couldn't give any of us this safe place when ever I take my dog to the park i have one who does not like dogs running up to her so when I keep he on lead and go to the park when quiet often I have found another dog running up to us and I have to shout to owner get your dog away but that dogs isn't listening so I'm trying to move my dog who is on a lead and still this dog wont leave us alone at least at the clix and trix we are safe from this and find my dogs are so much more happy of lead and not being disturbed by others dogs and people

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
