Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Continuation of use of land for dog training and exercising
Land to east of Parsonage Farm Yapton Road Barnham

Thank you for your internet representation made on 6th July 2018 which has been recorded as '**support**' with the comments as follows:

What Elaine provides at her training facilities and dog garden is invaluable.

We have used both her training classes and dog garden for puppy socialisation, during the classes all the dogs are working and focused on us so barking is minimal or non existent, there is more noise from car doors being slammed shut from visitors and other users of the shopping area car park and the cockerel in a nearby field than from the dogs, infact the road noise is probably louder and more consistent than any barking that might be heard from quite a distance away from the neighbours.

By not granting permission for Elaine to carry on using the paddock and dog garden would be at the detriment of all those who use her facilities, dogs with issues who she helps, puppies that come for very important socialisation and for those dogs who cannot be let off lead in areas other than the safely enclosed dog garden.

Therefore please consider the many people Clix and Trix benefits rather than the few who want to remove a very important environment and much needed lifeline to the people Elaine helps.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning

applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
