Dear Simon,

Further to my objection letter sent to you as dated below, my client now informs me that she understands a formal noise abatement notice was served on the applicant by your environmental health officer last Friday 13 July in connection with the dog training and exercising business carried out there.

You will be well aware that planning permission is not a licence to commit nuisance and that a planning authority has no jurisdiction to authorise nuisance and therefore, we trust a decision will be made on the planning application and any necessary subsequent enforcement action taken, that reflects this.

Regards

Dear Mr Davis,

On behalf of my clients, Mr. and Mrs Caldecott of Mill House Yapton Road, I attach our letter of objection to the above application.

I'd be grateful if you could notify me of your decision or the likely committee date should it be referred there for a decision in due course.

Thank you,

Kind regards
