Subject: RE: Consultation Comments on Land North of Yapton Rd, Barnham: DOC Application (BN/27/15/DOC)
Condition 17 and Reserve Matters Application BN/26/15/RES

Thanks Ian, I can confirm that the plan does satisfy the requirements of Condition 17 and WSCC have no objection to the discharge.

iTransport have provided the tracking information which I can confirm demonstrates that the layout provides adequate room for the manoeuvring of large vehicles. I understand that the internal layout is to remain private and not be offered for adoption; as such, WSCC have no further comment to make on the layout.

Kind regards,

Dominic
