Description of works: Construction of 1 No. two storey detached dwelling house on existing paddock.

Thank you for your internet representation made on 21st June 2022 which has been recorded as support with the comments as follows:

OWPC48352

This application is on land at the end of our drive. I have looked at the plans and think that the proposed house would be attractive and in keeping with the neighbourhood. The land has been left and unkept for a number of years until the applicant purchased it. I believe this application is to build a family home for the applicants family and I don't see a reason why it would not be approved.

Your views as made above will be considered before the application is determined.
