Dear Siobhan,

This application has been reallocated to me to write up. It will be a delegated decision as the Parish stated support in November. I have started the report but clearly, as previously advised we need the WSCC response before we can make a decision. I will endeavour to keep you advised.

Kind Regards

Dear Siobhan,

Thanks for your email.

I see we re-consulted WSCC Highways on the 5th December regarding the amended visibility plan and we have given them 21 days to respond hence the new no-decision before date being 26/12/22.

I'm sorry but I am not able to respond to your other concerns with the process as I have had no involvement with the case and am not in a management position. However, from what I can glean from the system, I assume that there is nothing outstanding except for the re-consultation response from WSCC Highways. That being the case, should WSCC respond earlier than the 26th then officer time permitting, it may be possible to provide a decision before Xmas but I think you should discuss with Dan when he is back next week

Kind Regards
