Dear Steve,

Thank you. I don't think the tiles will be a problem particularly as we did not seek to control the roof material on the first approval.

Kind Regards

Dear Steve,

Thank for these. I have today written the report and have referred to the amended drawing and schedule (I'd planned to do the report today regardless of your email). I will need to do an instruction to admin when I am in the office tomorrow so that the plans get changed on the system. All being well with that process, I would hope we can issue a decision by the end of next week and I would be grateful if you can agree an Extension of Time until next Friday 4th October.

Kind Regards

simon

amended plan with roof lowered by 225mm as one row of blocks now omitted
also attached amended material schedule with change in roof tile due to unavailability of the first one chosen

Kind regards

Dear Steven,

I acknowledge that we have had the application a while and I am sorry for the delay. Your application is currently the 6th oldest on my list and I should therefore be in a position to determine in the next 2-3 weeks.

Kind Regards

Simon

this application has been in since early May and it is solely a variation of approved drawings - we urgently need a permission as build is progressing.....

Kind regards
