Dear Steve,

Thank for these. I have today written the report and have referred to the amended drawing and schedule (I'd planned to do the report today regardless of your email). I will need to do an instruction to admin when I am in the office tomorrow so that the plans get changed on the system. All being well with that process, I would hope we can issue a decision by the end of next week and I would be grateful if you can agree an Extension of Time until next Friday 4th October.

Kind Regards
