Subject: RE: Planning Consultation on: BN/28/17/RES

My Councillors have some major concerns about this application and would like the opportunity to have more than an email discussion before sending a response and I am therefore writing to ask if there is a chance of having a few days extension to the deadline for response as our next Council meeting doesn't take place until 4th September (so I would respond on 5th September). Please can you confirm whether this is possible or if I need to get email agreement.

Thanks
