Subject: The Lillies, Yapton Road, Barnham

Hi Michael

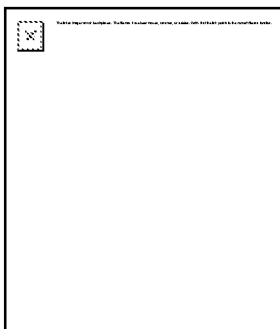

Please find attached the revised drawings for The Lillies, Barnham.

I generally sum up the revisions as per follows;

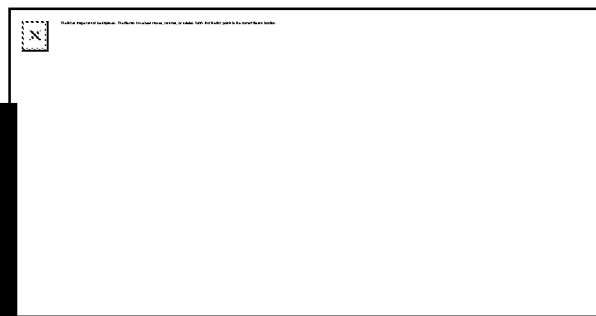

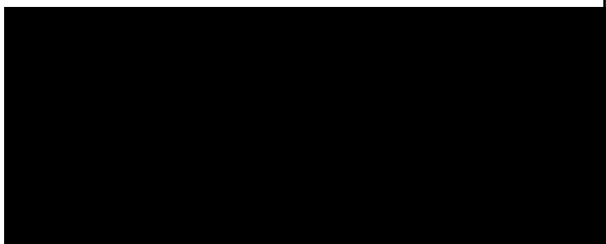

- Site layout revised to show attenuation basin, increase in hedgerow planting along site spine road, adjustment of properties to southern area of site to allow for 3m watercourse offset, Plot type revised on 12&13, link through to adjacent site allowed for.
- House type pack, general revisions to allow for stone cills to some properties, stone entrance properties to site entrance, Juliette balconies added to flats, chimneys added to HA houses, decorative brick banding added.
- Garden areas plan provided as per previous request.

I trust that the above covers the design issues associated with the project however should you have any queries then please do not hesitate to contact me.

Kind regards
Matthew
