Dear Malcolm

Foul Sewer Requisition- Yapton Road, Barnham, West Sussex

I refer to earlier discussions and our site visit in relation to the proposals of Southern Water Services Limited to construct a foul sewer requisition within land owned by West Sussex County Council as above.

I now enclose herewith Notice, under Sections 159 and 168 of the Water Industry Act 1991, of Southern Water Services Limited's intention to undertake this work. We advise that you place this Notice with your Deeds.

The works will be undertaken in accordance with Southern Water's Code of Practice, a copy of which I enclose for your information. I would draw your attention in particular to the following paragraphs;

- 17 and 53-56 : Compensation
- 18 : Appointing an Agent
- 47-51 : Reinstatement

Once the works have been completed, you will receive a plan showing the position of the sewer and the extent of the sterilised strip of land around the sewer which needs to be protected, and on which activities are to be restricted. The plan should be attached to the Notice, and placed with your Deeds and should be disclosed to any potential successor in title.

I would assure you that Southern Water Services Limited will endeavour to cause the minimum of disturbance and inconvenience when carrying out the proposed works. If you wish to discuss or clarify any aspects of the Scheme, please do not hesitate to contact me, Harriet Vail on 01273 663653 or by e-mail.

Yours sincerely
