Dear Nicola

I refer to your letter dated 12th March 2020 in connection with the above, copy attached. Apologies for the delay in replying to this, however, the team dealing with this matter have all been furloughed and I have only just picked this up. I attach a plan which addresses the comments made and should hopefully allow registration to progress.

Can you please let me know if this is now acceptable? I would hope, given the extenuating circumstances we can avoid the need to re-submit, however should this not be the case please let me know.

Regards

Rob
