Grounds for Application

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The dormer is not higher than the existing roof ridge.

The dormer is set back at least 20cm from the eaves.

The materials are similar in appearance to the existing house.

The dormer is not on the principal elevation facing a highway (front-facing dormers usually need permission).

The total roof enlargement is within volume limits:

40m³ for terraced houses

50m³ for detached/semi-detached

The property is not in a conservation area, AONB, National Park, or similar restricted zone.

If your home is within the South Downs National Park, stricter rules apply and dormers often require a full planning application. There are active applications for dormer extensions in West Sussex handled by the SDNPA, which confirms this.
