Dear Mr Roberts,

Please find attached documents comprising an application to seek planning permission for a solar PV park at Land at Barnham Court, Barnham

This application has been submitted following today's announcements by DECC regarding the halt in funding for solar PV developments. Due to the required deadlines, we would appreciate if you and your colleagues would confirm receipt of this application at your earliest convenience.

Please do not hesitate to contact myself or my colleague Gemma Melvill should you have any queries or require any further information or discussion.
