FOR THE ATTENTION OF MR. D SULLIVAN

Your Ref: ENF/417/11

Dear Mr. Sullivan,

Thank you for your letter dated 17 October 2011 which has been emailed to us by our tenants.

Regarding your letter, please note that we are the owners of 4 Marshall Close, Barnham. The property is currently let as we are travelling overseas in our retirement. When we lived in the house, the cabin had various uses including office/recreational room and occasional overnight accommodation for our family and friends.

In response to your query, the cabin is used for storage of our personal possessions and furniture whilst we are away, and overnight accommodation for us when we are visiting the UK. Consequently, the cabin is currently unoccupied and locked (it has a security bar to prevent access), no family member resides there and it is not rented out to members of the public. The services to the cabin are connected to the main house.

We hope this addresses your concerns but should you wish to discuss this matter further, we will be visiting family in the UK from the middle of November. In the meantime, we can always be contacted by email.

Yours sincerely

Mr and Mrs I Jackson
