Please upload onto Ocella the email below which is an additional consultation response from **ADC Drainage Engineers** to discharge of condition application **BN/30/20/DOC** regarding Angels Nursery in Barnham.

Thanks,

Michael

Subject: RE: Angel & Hyde Nursery, Barnham: DOC Applications

Hi Michael

We are happy that surface water runoff is being dealt with, within the agreed drainage system, as a result of the proposed ground raising. However, the condition goes beyond drainage and also relates to aspects such as overlooking adjoining properties, visual aspects, etc. I am afraid that is beyond us as engineers.

Regards

Paul Cann
Principal Drainage Engineer
Engineering Services
