Dear Mr Lack,

What you have provided with regards to condition 3 is definitely not enough.
I do understand in this situation the samples would be not good idea but photos which show clearly the proposed materials /colour, type, would be sufficient.

Kind regards

Maria

Dear Ms Tomolova

With respect to the above planning application to discharge condition 3, External materials & finishes. The condition refers to submitting samples however I enquire on behalf of the applicant if it would it be acceptable to you to submit photographs of the brick and roof tile proposed?

Kind regards

Nicholas Lack (Planning Agent)
