Arboricultural Assessment

Reference: Andrew Lawrance- Rectory Cottage, Old Rectory Drive, Eastergate, PO20 3XH

T1 Ash. This tree has a large visual presence in the rear gardens and from Old Rectory Drive. It has been previously reduced in size by approximately 2 metres, and this will be the intended size as requested within the planning application. There are plenty of adequate growth point at this size to ensure a high standard of crown reduction retaining a high amenity value.

Yours sincerely

Daniel Barker
